HOBBIES

Haskell Indian Nations University Varsity Volleyball Team member
Lawrence Humane Society volunteer

EDUCATION

Haskell Indian Nations University

August 2017 – May 2019

Associates of Natural Science graduate with a GPA of 3.8 earning the Magna Cum Laude. Through-out the four semester I made Presidents Honor roll (4.0 semester) and Deans list (< 3.5 semester). Along with volleyball club representative, Dine Club secretary, and Coding Club member.

Tuba City High School

August 2013 – May 2017

Graduated with a 4.0 GPA including extracurricular activities such as volleyball Team captain, National Honor Society, blood drive committee, and student senate.

WORK EXPERIENCE

Tuba City Chapter House Summer Youth Employee

June 2018 – July 2018

Under the employment of Tuba City Chapter, I worked with the Tuba City Humane Society. There I assisted other members who foster the animals turned into the Humane Society. My responsibilities included interacting with other community members, cleaning, caring for animals, and doing paperwork regarding adoptions or transfers.

Tuba City Chapter Summer Youth Employee

June 2017 – July 2017

Employed under the Tuba City Chapter, I worked with the Tuba City Fire department. My daily responsibilities included cleaning the shop and office area, communicating with visitors, and filing paperwork from previous calls. I also assisted several calls, recording background information from the scene. My jobs required communication and organization skills.

EXPERIENCE

Haskell Environmental Research Studies Summer Institute

June 2019 – July 2019

An 8-week internship held with conjunction of Haskell Indian Nations University and Kansas University. I am currently researching abandoned uranium mines and negatively impacting cultural uses of corn. I will be presenting my academic poster in Boulder, Colorado along with an at least 12-page research paper.

Native Youth Community Adaption Leadership Congress

June 2017

The week-long conference held in West Virginia; I was able to interact with 100 other native youth across the U.S. I had the opportunity to bring awareness to some of the environmental issues faced by the Navajo and Hopi people. Along with my own tribes, I was able learn about other environmental issues faced by other indigenous people.
